

**POWER  
FOR  
GOOD**

#ANTIBULLYINGWEEK

Every adult at our academy is always willing to listen. Let your voice be heard!  
If someone does something you don't like you could say...

Stop!  
You're hurting me.

I'm not listening to you.

Stop it. I don't like it.

**BUT ALWAYS  
REMEMBER TO TELL  
SOMEONE!**

If you are being bullied, the academy will work with you, your parents and the bully to make things better.

For the bully, the academy staff may...

- Make you miss your playtimes / lunchtimes.
- Phone your parents and tell them what has been happening.
- Remove time in an after school club.
- Make daily reports to Mrs Pryme and parents/carers.
- Exclude you from school for a period of time.
- Work with you to make you understand that it is wrong and how you should behave.

For more information or a full copy of our 'behaviour policy' please contact the office. We support Anti-bullying week every year. We are a better Academy without Bullying!

## Are you being bullied?

Was it intentional?

Was it hurtful?

Does it keep happening again and again and again?

If you answered 'YES' to each of these questions it is extremely likely you are being bullied.

Talk to someone.

Ask for help!

## LET YOUR VOICE BE HEARD!

Skegness Infant Academy is  
FRIENDSHIP FOCUSED.

We are better Academy  
without bullying.

We believe that bullying is when people use unkind words, unkind thoughts and unkind actions. Bullying happens repeatedly over a period of time.

We do not like bullying because it...

- Hurts people, physically & mentally.
- Makes people sad.
- Makes people angry.
- Can make people not want to come to our Academy.

ONE  
KIND WORD  
CAN CHANGE  
SOMEONE'S  
ENTIRE  
DAY

If you feel like you are being bullied you **MUST** tell someone.

If we don't know we can't help!

Working with the
