

What if!

Reception Newsletter: Term 6 2023

As we come to the last term in Reception we will be thinking about change, we will find out about transition to Year One and further develop the skills we will need for the future.

Don't forget to check Tapestry regularly for updates and information and our weekly Home Challenges. Later in the term you will receive information about how to download your Tapestry Learning Journey so you have a copy to keep.

Our topic this term is **What if....!**

During this topic we will look at different careers and aspirations, for example, what if I was an inventor/gardener/athlete. We will follow the children's interests and develop their learning from their own ideas. We will also be looking at the local community and non fiction books to support this theme.

Maths

Our focus this term is:

Subitising

Noticing number patterns

Addition and number bonds within 10

Counting

Comparing quantities

Reading and Writing

This term we will continue to work on letter formation and independent writing skills. We will be writing in sentences and using capital letters and full stops.

In reading we will be looking at phase 4 words with long vowel sounds. We will read words with word endings such as s, es, ing, ed, er, est.

Reading at Home

Please encourage your child to read at home at least 4 times a week and let your child's teacher know. If your child reads at least 4 times they will get to wear a reading crown on a Friday and be rewarded with dojo points.

Things to Remember Everyday...

Your child needs to bring:

a water bottle

their book bag

a named sun hat

And please apply long lasting sunscreen before school.

Notices

Towards the end of term we will have a dressing up day. The theme will be what if I was a You can be anything that you can imagine. What if you were a scientist, teacher, artist, singer. Please do not buy anything special for this, use things what you already have at home.

Be Inspired
