

Skegness Infant Academy EYFS Reception Long Term Curriculum Plan 2023-24

Technology will run through out all learning
Plans will change according to children's interests

School Values - RICHER

School Values - RICHER						
Resilience	Independence	Creativity	High Aspirations	Exceptional	Respect	
	Term 1 7 weeks 04-09 to 21-10	Term 2 6.3 weeks 06-11 to 20-12	Term 3 5.4 weeks 02-01 to 09-02	Term 4 5.4 weeks 19-02 to 28-03	Term 5 6 weeks 15-04 to 24-05	Term 6 7 weeks 03-06 to 19-07
EYFS Theme	Knowing me, knowing you	Tell me a tale...	Where shall we go...	Footprints	The Great Outdoors	What if.....
Topic Overview	Class books Getting to know you activities Autumn	Traditional stories Story retelling Celebrations/Christmas Autumn	Comparing different places/countries, comparing our community with others, maps, past and present	Dinosaurs and pre historic people History - comparing past and present	Minibeast Gardening/growing investigation	Pirates, space and aliens, superheroes, fairy fortnight
Possible Books	Class books Gruffalo Stanley's Stick Bear Hunt Pumpkin Soup Autumn - non-fiction/poems  	Diwali Rapunzel Jack and the Beanstalk The Gingerbread man Hare and the Tortoise The Christmas Story  	Handa's Surprise A walk in London Little Bit of Winter At ticket around the world Poles Apart We are Roaming in the Rainforest My first London Bus Non-Fiction books: different countries, transport 	Dinosaurs Don't draw The Dinosaur Department Store Dear Dinosaur Tyrannosaurus Drip Mad About Dinosaurs   	Superworm Spinderella What the ladybird heard Bumblebear Supertato Oliver's Vegetables Errol's Garden  	Fairy Fortnight: The tree Keepers, Peter Pan Pirates: The Night Pirates, Pirate Pete, The Pirates Next Door, Pirate Mums Space: The Aliens are coming, Whatever next, Q Pootle 5 Superheroes: Help I need my superhero, fact files, real superheroes: police, nurses, coastguards, Tom Moore  
GAT Staff Rhymes and Songs	Gruffalo song Autumn songs Nursery rhymes	Christmas songs	Songs from around the world	Dinosaur romp	Bumble bee song In my garden song Incy Wincy Spider	Pirate songs
Genre	Fiction Non-fiction Poems	Fiction	Fiction Non-Fiction	Fiction Poems	Fiction Non-Fiction	Fiction Non-fiction Songs and poems
Wow bombs	Starting school	Making Gingerbread Dressing up day	Ice experiments Local buses Maps - geo mapping	Fossils Mr Rex the dinosaurs	Food tasting Growing vegetables	Alien landing Fairy visitors Pirate day

Author of the term	Julia Donaldson	Julia Donaldson	Nick Sharratt	Nick Sharratt	Sue Hendra	Sue Hendra
Books - Diversity and inclusivity	This Beautiful Day Hair, It's a Family Affair! Stanley Stick	Simon Sock Kipper's Birthday	My world, your world Elmer	Going to the Volcano Giraffes can't Dance	Errol's Garden	The Tiger Came to Tea You Choose
Artist of the term	Lowry	illustrators	polski	Banksy	Van Gough Matisse	Van Gogh
Parent Events	Parents consutations Tapestry (EYFS) Phonics and Reading expectations	Maths in Early Years Christmas Crafts Nativity	Reading - story Time	E-safety Easter Craft	Board Games Sports day Mini-beast garden	Construction (EYFS) Picnic Transition events
Possible visits and visitors		Library visit Storyteller Church visit	Visitor - Owls/birds? Local environment walk	Dinosaur man Visiting Artist	Minibeast visit/workshop- Lion learners Bedford fruit and veg shop	Beach Visits from real life heroes Skeg tech- careers
School Events	ESafety joint project 11-09 R Dahl Day 13-09 History joint project 02-10 Hello Yellow 10-10 Harvest Festival 16-10	Anti- bullying week - 13-11 Children in Need - 18-11 Computing joint project 27-11 Jolly Jumper Day 08-12	RE joint project 15-01 Story telling week 29-01 DT Week 05-02	Science week 11-03	Walk to school week 20-05 Art Week Geography Week	Health week 12-06 Music Week Outdoor learning joint project
Local and world events	Harvest	Diwali 12-11 Bonfire night 05-11 Remembrance day 11-11 Christmas Anti-bullying week 13-17 Nov Children in Need - 18 Nov	Big Bird watch - 26-01 National story telling week- 30.1 NSPCC Number Day 03-02 Safer Internet day - 06-02 Chinese new year 10-02	World book day 07-03 Shrove Tuesday 13-02 Easter 04-04 Mother's Day 10-03 International women's day 08-03 British Science week 08-03 World poetry day 21-03		

Curriculum Overview

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
PSED	See themselves as a valuable individual. Build constructive and respectful relationships Manage their own needs- personal hygiene	Express their feelings and consider the feelings of others.	Shows resilience and perseverance in the face of challenge	Know and talk about the different factors that support their overall health and wellbeing.	Think about the perspective of others.	Shows resilience and perseverance in the face of challenge
Jigsaw	Being in my world	Celebrating differences	Dreams and goals	Healthy me	relationships	Changing me
CL	Learn new vocabulary Understand how to listen carefully and why listening is important. Develop social phrases. Listen to and talk about stories to build familiarity and understanding	Learn new vocabulary Describe some events in detail. Engage in story times. Retell stories.	Learn new vocabulary Connect one idea or action to another using a range of connectives. Engage with non fiction books	Use new vocabulary through the day. Ask questions to find out more and to check they understand what has been said to them.	Use new vocabulary through the day. Articulate their ideas and thought in well formed sentences. Use talk to help work out problems and organise thinking. Engage with non fiction books	Use new vocabulary through the day. Learn rhymes, poems and songs.
PD	Revise and refine FMS. Develop core strength. Develop their small motor skills- to use tools. Further develop the skills they need to manage school day successfully- lining up/ mealtimes.	Progress towards a more fluent style of moving with developing control and grace. Begin to show accuracy and care when drawing.	Develop FMS. Develop the foundations of a handwriting style.	Combine different movements with ease and fluency. Handwriting- accurate.	Confidently and safely use large and small apparatus indoors and outside alone and in a group. Handwriting- efficient	Develop and refine ball skills. Handwriting- fast, accurate and efficient.
Literacy Word Reading and Comprehension	Refine phonological awareness. Begin to read individual letters by saying the sounds for them.	Blend sounds into words so that they can read short words made up of known letter- sound correspondences,	Read some letter groups that each represent one sound and day sounds for them. Read a few common exception words.	Read some letter groups that each represent one sound and day sounds for them. Read a few common exception words.	Read simple phrases and sentences.	Develop fluency and understanding when reading.
Literacy Writing	Write some or all of their name	Use some print and letter knowledge in early writing. Write some letters accurately.	Form lower case letters. Spell words by identify the sounds and writing the sound with letter/s.	Write simple sentences.	Form capital letters correctly. Write sentences with capital letter and full stops.	Re- read what they have written to make sure it makes sense.
Maths	Count beyond ten. Continue and copy repeating patterns. Subitise. Link the number symbol to value up to 5.	Count objects, actions and sounds. Explore composition to 5. Compare numbers.	Link the number symbol to the value up to 10. Develop spatial reasoning skills.	Explore composition to 10. Understand one more/ one less between consecutive numbers.	Create patterns. Automatically recall number bond 0-5 and some to 10. Compose and decompose shapes so that they can recognise that a shape can have other shapes in it.	Compare length, weight and capacity.
GAT Staff Understanding the World	Talk about member of immediate family. Name and describe people who are familiar to them. Seasonal changes. Developing Experts- Bears	Compare and contrast characters from stories. Understand that some places are special to members of their community. Recognise that people have different beliefs and celebrate special times in different ways.	Recognise some similarities and differences between life in this country and life in other countries. Recognise some environments are different to the ones in which they live. Seasonal change Developing experts-learn about wheat and flour- linked to chinese new year	Comment on images of familiar situations in the past. Developing experts- Dinosaurs roamed the earth Learn about ingredients and measuring Science week- volcanoes	Draw information from a simple map. Explore the natural world around them. Describe what they see, hear and feel whilst outside. Seasonal changes Developing Experts- Insect unit (3 lessons)	Talk about members of the community. Developing Experts- Space
Expressive Art and Design	Return to and build on their previous learning, refining ideas and developing their ability to represent them.	Sing in a group or on their own. Develop storylines in their pretend play. Explore use and refine artistic effects.	Return to and build on previous learning, refining ideas and developing ability to represent them,	Create collaboratively sharing ideas, resources and skills.	Explore use and refine artistic effects.	Explore and engage in music making and dance. Perform solo and in groups.

EYFS Statutory Educational Programmes

The Educational Programmes will be interwoven through our curriculum, continuous and enhanced provision, environment, interactions with children, experiences and our teaching and learning to ensure coverage. This will be monitored.

Communication and Language

The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, storytelling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.

Personal, Social and Emotional

Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, cooperate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.

Physical Development

Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional wellbeing. Fine motor control and precision helps with hand-eye co-ordination which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practise of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

Literacy

It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

Maths

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and ten-frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

Understanding the world

Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them - from visiting parks, libraries and museums to meeting important members of society, such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

Expressive Arts and Design

The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.
