

Tell Me a Tale!

Reception Newsletter: Term 2 2023

Thank you to all parents/carers for your contributions to Tapestry over the last term. We have enjoyed seeing your child's achievements and learning at home. Please ask a member of staff if you need any help or support accessing your child's tapestry account. Don't forget to check Tapestry weekly for home challenges and other information.

Our topic this term is **Tell Me A Tale!**

Each week we will read and retell a traditional tale that the children will be familiar with. We will do this through drama and puppets to support the children's speaking, listening and vocabulary skills. We will be using our woodland area to recreate the story settings and creating lots of story drama!

Little Wandle Phonics

This term we will consolidate the sounds we have learned last term as well as learning the new sounds for term 2 which include some digraphs. We will continue to learn to blend to read 3 letter words and learn lots of new tricky words.

Marvellous Maths

Our focus this term:

Number: We will focus on finding one more and one less, counting out amounts and subitising. We will be developing a deep understanding of numbers to 5. We will also practise writing numbers and representing combinations of amounts.

Measure: We will learn about comparing and ordering objects by weight, length, height and capacity.

Shape: We will name and describe 2d and 3d shapes. We will recognise and continue repeating patterns.

The Woodland!

We like to take our learning outside into our woodland area. We will be doing lots of investigation, story drama, talking and developing our own learning pathways. And most importantly getting a bit muddy!

We will be enjoying the outdoors whatever the weather!

Author of the term

Our author of the term this term is Sue Hendra. She has written some fantastic stories that are very funny!

Can you share one of her stories with a grown up?

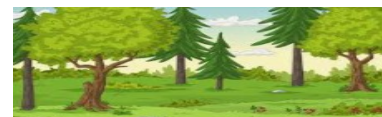

Can you upload it to Tapestry?

Phonic and reading parent information

Please log into Tapestry and find the Phonics and Reading in Reception post. If you have not already accessed it. This will give you information about phonics and reading in school and how to help at home.

Things to Remember...

- To bring a bottle to school each day containing water only please.
- To return book bag and wallet everyday.
- Now the weather is getting colder please bring named hats and gloves.

- And most importantly.....

PLEASE NAME EVERYTHING CLEARLY

Dates to Remember

- 13th November- Odd Socks day
- 17th November- Children in Need
- 8th December - Jolly Jumper Day

Be Inspired
