

SKYLARKS NURSERY

The great outdoors

Nursery Newsletter: Term 5 April 2024

Welcome to our new intake. The children are already settling in and making friends and we are looking forward to getting to know them over the next few weeks. Welcome back to our January intake, we hope you are looking forward to your second term with us. This term we are learning about many different kinds of plants and minibeasts and how to spot and identify them.

Our topic this term is **the great outdoors**

In this topic we will be using information books to identify minibeasts and will be learning rhymes and songs.

There's a tiny caterpillar on a leaf.

Incy wincy spider.

There a worm at the bottom of the bottom of the garden.

5 little ladybirds.

We will also be looking at the book Titch .

Speaking, listening and Literacy

This term we will develop our listening skills within a group.

We will develop our vocabulary around our theme and use describing words to talk about what we notice. We will learn lots of new rhymes

Personal, Social and emotional development.

Through the term we will begin to work more as a group, making friends and getting to know the children who will remain in nursery for another year. We will be developing our independence and our turn taking skills and learning how to choose our own activities and resources.

Our Jigsaw PSHE work is all about relationships, we will cover families and friendships.

Maths

Our focus this term is:

Patterns- talking about spots on ladybirds

Comparing length and size using words long and short and using numbers in songs and rhymes.

Please support this learning at home too.

Reminders

As the weather gets warmer can we please remind you to ensure all jumpers and cardigans are named. Outdoor play is available for most of the session so it is also be advisable to bring a named sunhat and coat daily as the weather is still very changeable. Thank you.

Be Inspired
