

Where shall we go?

Nursery Newsletter: Term 2 November 2025

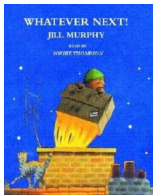

We are starting this term learning all about the world around us. We will use bear stories to explore different environments as we follow the bears on their adventures. We will develop our vocabulary describing what we see and feel and we will also have a going home bear to share an adventure with you. It will be a busy term and we will end the term with Christmas activities and a party in the last week.

Our topic this term is **Where shall we go?**

We will start each week with a story.

These will include

Going on a bear hunt, Whatever next, Where's my teddy? and Peace at last.

We will also enjoy Christmas stories together.

Speaking, listening and Phonics.

This term we will be developing descriptive vocabulary as we talk about the world around us and compare environments. We will encourage the children to extend their vocabulary when looking at books and exploring in the real world.

In phonics we will begin to tune in to environmental sounds and use our voices to recreate them. We will also look at listening to and coping rhythms and beats both in stories and with instruments. You could help at home by tuning into the sounds that you hear around the house or when you are out and about.

Maths

This term we are developing our number and pattern skills. We will be looking at the numbers 1 and 2 and learning to count objects, subitise and recognise that patterns of 2 look very different.

We will be recognising and continuing patterns made with 2 and 3 different objects.

Reminders

As the weather is turning cooler please remember to send your child to school with a sensible, waterproof coat as we have outdoor learning available all weathers. Please ensure all hats, gloves and scarves are clearly named.

Please ensure you check tapestry regularly to find out about the wonderful things that have happened in nursery and to find any new information

Thank you.

Diary Dates

14th Nov- Children in need
5th Dec- Teacher Training day
11th Dec- Jolly Jumper day
19th Dec-Christmas party 10.00-1.00
