

What a Wonderful World

Reception Newsletter: Term 3 2019

Thank you for all your contributions to tapestry. We have seen lots of fabulous achievements and learning over the last term. Please ask a member of staff if you need any help or support accessing your child's tapestry account. Remember to add your home challenges to tapestry.

Our topic this term is **What a Wonderful World**

We will start each week with a story that is based in a different place around the world. We will explore the places and animals that are in each of these stories to find out more about them. We will do this through technology and information books.

Phonics

This term we will be learning phase 3 sounds such as sh, ar, ai. Please support your child and practise these at home. We will continue to consolidate the sounds we have learnt so far and use this knowledge to read and write simple words. Together we will begin to write and read simple sentences.

We will also be learning to read some tricky words such as go, no, me, she.

Maths

This is what we will be focussing on this term.

- developing and using our knowledge of numbers to 20. Practically adding and subtracting groups of objects and recording the answer.
- developing vocabulary related to money and recognising coins. Using 1p coins in addition and subtraction problems.
- sequencing events and using related vocabulary when describing sequences such as before, after, next, morning, afternoon.

Take Home Character

During this term the children will have the opportunity in turn to bring home the class character. They will draw and write about their adventures in the character's diary.

Grown ups you can also add their visit to tapestry.

Things to Remember...

PE day for class 3 will be Monday and classes 1 and 2 will be a Friday. Please ensure your child has earrings taken out for this day and has a full labelled PE kit in school.

Your child needs to bring to school each day:

- a named water bottle
- their book bag including their reading record wallet inside.

Labelled coats, hats and gloves

Key Dates

Celebration assemblies: 18th January and 8th February
E-safety day: 5th February
