## Class Attendance Winners

Congratulations to class 7, the Starfish class, who achieved 100% attendance last week and have won the attendance trophy and teddy!

## Pobble

We are delighted to inform you that we are becoming members of the Pobble community! Pobble is a website where schools publish children's writing and others members of the Pobble community are able to view and comment on the work. Your child has received a permission letter regarding this. If you wish for your child to become a 'publish author' please remember to sign and return the permission slip to your child's class teacher. If you wish to be notified when your child's work has been uploaded onto Pobble can you please ensure you provide an email address on the form.

## Nursery Mini Beast Visit

On Wednesday children in Nursery enjoyed a visit from Animal Encounters as part of their topic on mini beasts. This was a hands on workshop where children were able to handle an array of mini beasts. The visitor commented on how well behaved the children were and how carefully they handled the animals.

## New Electronic Dinner Menu

We are very excited to be trialling the new electronic dinner menu which starts this term and if successful, will be in place indefinitely. A letter was sent home on Monday providing all the information you require. If you did not receive this letter, copies are available from the office and our website. Parents should have received 1 text message on Tuesday with 3 links. Link one was to complete menu week one, link two to complete menu week 2 and link three was to complete menu week 3. If you do not complete the menu on time, your child will receive the first option for dinners each day and this will not be changeable.

## Term 5 Diary Dates

Mon 6th May	Bank Holiday - Academy is closed
Wed 15th May	9.30am and 1pm Nursery Open Day for new September 2019 Intake Reception Maths games workshop
Tues 21st May	Nursery & Reception 'Giant Wiggle'
Wed 22nd May	Wrates taking class photographs
Fri 24th May	Y1 Superhero celebrations End of term 5 - term 6 starts on Monday 3rd June

## Wrates Photographers

Wrates will be in school on Wednesday 22nd May to take class photographs. With the new GDPR in place we now need permission for your child to have their photograph taken by Wrates for the class photograph. If you would like your child to be included on the class photograph can you please complete the form on the reverse of this newsletter and return it to school by Friday 17th May. Should you order a class photograph we ask that you do not put the photograph on social media as you do not have parents permission.

## Foundation Stage 'Giant Wiggle'

On Tuesday 21st May children in Nursery and Reception will be taking part in a fancy dress 'Giant Wiggle' to raise money for Action for Children. This is a charity committed to helping vulnerable and neglected children, young people and their families in areas as diverse as disability respite therapy, foster care, adoption and child neglect. Children will also take part in lots of fun craft activities including baking cakes, decorating caterpillar crowns and making butterfly masks.

## Nursery Open Day

If you already have your child's name on the Nursery waiting list for September 2019 intake you will receive a pack shortly with details of your visits and the admission process. The Open Day being held on Wednesday 15th May at 9.30am and 1.00pm is for parents who are currently looking at Nurseries before making a decision. If you have a child who turns 3 years old before 1st September 2019 then please come along to the Open Day for a tour of the Nursery, ask questions and meet the Nursery Teacher and Teaching Assistants. Nursery applications are available from the office.

## IT Migration

Just to make you aware that next week our IT systems are being migrated and this may cause slight disruption in the office. Please bear with us as the new system is installed.
