

# Digital Storytelling

Powerful Visual Communication, Made Easy

CREATE A STORYBOARD →

<https://www.storyboardthat.com/>

The screenshot shows the StoryboardThat website interface. A blue popup titled "Add a Scene!" is in the foreground, with the text "Drag a scene into the first cell." and a "Next" button. Another blue popup titled "Add a Character!" is also visible, with the text "Click on the Characters tab." and a character icon. The background shows various scene thumbnails and editing tools.

Children follow the steps to create their own storyboard.

## TypingClub

Practice your typing skills using this website.

### Home Row

The screenshot shows the TypingClub "Home Row" interface. It features a grid of 10 lesson cards. Card 1 is "Introduction to Typing" and is highlighted with a blue arrow pointing to it and the text "Click the lesson to begin". Card 5 is "Keys d & k" and is highlighted with a blue arrow pointing to it and the text "Take the placement test to start at the right lesson for your child." Other cards include "Keys f & j", "Space Bar", "Review: f & j", "Keys d & k", "Review: d & k", "Practice: d & k", "Play: fjkd", "Keys s & l", and "Review: s & l".
