Dear Parents/Carers,

I'm sure many of you will be aware of Boris Johnson's announcement yesterday about schools possibly beginning a phased return for Reception, Year 1 and Year 6 from 1st June. This is potentially planned if the current rate of infection remains stable or continues to decline.

At the moment there is a lack of information on how this will work and we may get further details in time.

What we do know as leaders is that Reception, Year 1 and Year 6 will not be back until 1st June at the earliest. There will be no changes to the current school situation until this date. To our knowledge, the Key Worker definition has not changed since the government's first publication. As School leaders, we are working with Lincolnshire County Council and the Academy Trust who are in turn communicating with the government. The government is due to release a further publication this afternoon.

As we receive more information over the coming days and the next few weeks, we will be working hard to make safe and sensible plans about how we begin to partially re-open the school to those pupils identified in the government's plan. I am sure you will appreciate at this point, we cannot do this until we have further clarification. Once we have our plan, we will communicate to you the next steps required to ensure your children can return to school and remain safe.

In the meantime, we ask that you wait for us to contact you about the partial re-opening. Staff are not currently able to answer any questions as we have no information. The current arrangements will continue. We want to thank you for your continued support at this challenging time.

Take care and stay safe.

Kindest regards,

Mrs R Pryme
Executive Principal
