Dear Parents/Carers

RE: Back to School in September, Year 1 and Year 2

I would like to share with you some further details regarding starting back to school in September following the letter you received from Mrs Pryme yesterday.

We understand and appreciate that most of our children will have been away from school for a long period of time when school starts in September. During the summer term your child will have normally taken part in a number of transition activities such as meeting their new Teacher and TA and also visiting their new classroom and playground area. Some of these activities have taken place over Microsoft Teams but we know that not everyone has been able to access this. However, I hope that you have all managed to watch the video messages in the year group Sways which were sent to everyone. These can be found on our website. <https://bit.ly/3eHvWUj>

In September we would like you to give your child and you the opportunity to come to school and meet the Teacher and TA as well as visiting the classroom therefore we will be sending you an appointment time for you to come to the school site and take part in this meeting on one of the days below. At this point we are unable to take meeting time requests therefore you have been allocated a given time. We will be following the social distancing procedures we have in school so please follow the signs once you are on site.

Therefore, the timetable for starting school will be:

Wednesday 2nd September: 1:1 Parent-Teacher Meetings – Only come to school for your meeting time and wait on your year group playground until the Teacher collects you.

Thursday 3rd September: 1:1 Parent-Teacher Meetings - Only come to school for your meeting time and wait on your year group playground until the Teacher collects you.

Friday 4th September: All children in Year 1 and 2 to start school. 8.45-9.15 Drop off, 3.00-3.15 Collection

Kind regards,

R. Leighton

Mrs R Leighton
Head of School
