Be Inspired

How Do You Do?

**September
2016**

In this topic we will be ...

...developing children's confidence to talk about their family, friends and interests outside of school

...share books and favourite stories that are familiar to them and introduce new stories

...develop counting, number and shape vocabulary and understanding through play, rhymes, games and stories

...develop listening and attention through games and music

...become familiar with routines in each learning area and access them independently

...encourage independent creative activities, painting, cutting, sticking and play dough

PSED

- Learning school routines
- Developing independence
- Making new friends
- Learning school rules
- Working as part of a group

Oxford Reading Tree

Children will bring home a work book for you to meet the characters.

Children will bring home books to read when we feel they are ready.

DIARY DATES

Parent curriculum Meeting

Thursday 29th September 9.15am

Parent Consultations

Tuesday 4th and Wednesday 5th October

Parent 'SQUIGGLE' Writing workshop

Thursday October 6th 9.15am

Letters and Sounds and Jolly Phonics

Your child will be learning songs and actions related to each letter sound and letter names. And how to write them correctly. If your child is ready to read and write they will be learning to blend and segment sounds orally and then to read and spell words.

Home book to practise the sounds and sound blending to read.

Beginning with sounds - **s a t p i n**
