Dear Parents/Carers

## **Welcome to Skegness Infant Academy September 2021**

Thank you for accepting a place for your child to begin school here in September 2021.

Usually at this time of year we would be inviting you to a Parent/Carer meeting in order for you to find out all the information you would need for your child to start school. Due to the current situation with Covid-19 we are unable to do this therefore, for now, we will be communicating with you via email and with links to our website.

Please be reassured that we really want to get to know your child and we will do everything we can to make this transition into school a positive experience for everyone.

We have created a Starting School Information video. Please click on the link to watch the video, we hope you find it helpful and informative. <https://bit.ly/3xVCDga>

The teachers in the Reception team are beginning the process of contacting Nursery settings to talk to the children's key workers about their likes, strengths and areas for development so that they can start to plan ideas accordingly.

In the next few weeks we will be creating resources to share on a special area of our school website. These will include a presentation with photos of key staff and the classroom environments which you can share with your child and also ideas for getting ready for school. This link will be shared with you shortly.

We will also like you to complete our Admission form. Click this link to complete it: <https://forms.office.com/r/tfJf9Xyviv> We will need you to provide a copy of your child's birth certificate, this can be emailed to [admin@skegnessinfantacademy.org](mailto:admin@skegnessinfantacademy.org)

We understand that you might be feeling anxious about how starting school in September might look for your child. We will do everything we can to work with you, your children and our Reception team to ensure that this transition into school is a great success. As soon as we can we will share the details regarding how this will look.

If you have any questions please let us know and we will do our best to answer them for you.

Yours sincerely
