

HOME CHALLENGE

Design your own chocolate bar.

What will it be called?

What ingredients will it have?

How will you make people want to buy it?

ENGLISH Charlie and the chocolate factory. We will be using wow words to describe Charlie and Willy Wonka.

Using information books to find out about where chocolate comes from in order to write our own pages about Africa.

Further exploring features of instructions and writing our own for how to make chocolate eggs.

SCIENCE Plants.

Naming a range of plants and flowers.

Naming parts of a plant and discussing their function.

Exploring what plants need to survive and sorting things into alive, not alive and never been alive.

MATHS Measures problems to help Mr Wonka in the factory – capacity, weight and temperature.

Telling the time to the nearest 5mins.

Solid shapes to help us design our packaging for our chocolate eggs.

Exploring fact families and looking at the relationship between the operations eg $2 \times 4 = 8$, $4 \times 2 = 8$, $8 - 4 = 2$, $8 - 2 = 4$

CHOCOLATE

Thursday 2nd March EVENTS – WORLD BOOK DAY

Dress up as your favourite book character and bring in the book that they are from.

TOPIC D+T – Design and make an Easter Egg. GEOGRAPHY – Africa. Position on a World map. Aerial photos of Africa. Weather in Africa. Plants and microhabitats in Africa. We will also compare Africa to Skegness. RE – Religious practises in the run up to Easter (lent, pancake day, etc.).
